

**GMIS Illinois Annual Conference - Eagle Ridge Resort
Galena, Illinois
October 28 – 31, 2007**

Information Development Consultants, Inc. will be exhibiting at the annual Illinois GMIS (Government Management Information Sciences) Conference in Galena slated for October 28-31, 2007. Additionally, iDC will be making a 45-minute presentation entitled "The On-Demand (or Hosted) Solution Trends in Small to Mid-sized Government". The highlight of this presentation will deal with the benefits of this Process – namely, the latest technology and software in a secure and reliable environment allowing for a small initial investment with a pay-as-you-go option. Hardware, software, backups, upgrades, support and disaster recovery are bundled to make **4gov®** Software as a Service (SaaS) affordable for any government entity.

**Illinois Government Finance Officers Association Annual Conference
Springfield Hilton
Springfield, Illinois
September 9 – 11, 2007**

Information Development Consultants, Inc. will be part of the annual IGFOA Conference Showcase in Springfield scheduled for September 9 – 11, 2007. iDC will be exhibiting its **4gov®** SaaS (Software as a Service) solution and demonstrating the latest in web-native government financial management systems. Hosted at the secure iDC/IBM Co-location Center, **4gov** saves hardware costs and valuable IT resources as this hosted solution covers everything with a low monthly fee.

**2007 Missouri Municipal League Annual Conference
Hyatt Regency, Crown Center
Kansas City, Missouri
September 9 – 11, 2007**

Information Development Consultants, Inc. will be an exhibitor at the 2007 MML Annual Conference in Kansas City from September 9 – 11, 2007. iDC will be showcasing **4 gov®** Software as a Service (SaaS). The **4gov** on demand system hosted at the iDC/IBM Co-location site allows governments the latest technology and software with a minimal upfront investment that covers conversion, training and set-up. A computer server, software, maintenance, backups, upgrades, disaster recovery and help desk support are provided on an on-going basis for a low monthly cost.
